Additional Information

- Residents may pick up a recycling calendar at Minnetrista City Hall or [view it here](#).
- Did you miss our annual Recycle/Clean-up Day? Instead of waiting for our next event, why not drop your 'stuff' off at one of [Hennepin County's year-round drop-off facilities](#)?

Organics Recycling

Minnetrista now offers a drop off site for recycling of organic products! To view more information, see the [Organics Recycling Guide](#).

Why Does the City Coordinate a Recycling Program?

Hennepin County ordinance requires that the City provide for curbside recycling. While the County provides some grant dollars for this program, the City is required to pay for the rest of the program.

What Can I Recycle?

Waste Management has a quick [online resource](#) to give residents the most updated guide to recyclables!

How Do I Get Started?

One single-sort recycling cart is provided free of charge to each residence and is picked up every other Friday. Please have your recyclables out on the curb by 6:30 a.m. Additional or larger carts can also be obtained, call City Hall for more information. The following items may be co-mingled in the single-sort cart:

- Clean Cans
- Clean Glass
- Clean Plastic bottles
- Newspaper
- Magazines
- Boxboard
- Cardboard
- Phonebooks
- Brown Grocery Bags
