WSB Project No. 019136-000

Dear Mayor and Council Members:

Quotes were received for the above-referenced project on Thursday, October 21, 2021. One quote was received. The bid was checked for mathematical accuracy. Please find enclosed the bid tabulation showing the low bid as submitted by Traut Companies, Waite Park, Minnesota, in the amount of \$108,717.50. The Engineer's Estimate was \$101,525.00.

Quote requests were also sent to Keys Well Drilling, EH Renner and Bergerson-Caswell. We contacted each of these companies to inquire why they did not quote this work. They all stated that their workload was full for this fall and they would not be able to meet the schedule.

We recommend that the City Council consider this bid and award a contract in the amount of \$108,717.50 to Traut Companies based on the results of the bid received. Per the specifications, Test Well No. 9 will be constructed only if Test Well No. 8 is successful at this site.

Sincerely,

WSB

Greg Johnson, PE
Director of Water/Wastewater
