Plans and Specs Approved, Advertisement for Bids Authorized—Halstead Drive Project

Improvements proposed for construction in 2020 include the mill and overlay of Halstead Drive beginning west of Lakeside Drive to Co Rd 110 as well as the parking area on the north side of the road. The total estimate of probable project costs is in the amount of \$301,319. Bid opening is scheduled for February 11 and the award of contract on March 9.

Preparation of Traffic Study Approved

Sunnyfield Road has been identified as a possible 2021 improvement project. To examine the feasibility of certain improvements to the corridor, the first step is to have a traffic study of the project area to gather data and develop recommendations for the City Council to consider.

Plans and Specs Approved, Advertisement for Bids Authorized—Sunnyfield Road Water Tower Rehabilitation

Based on inspection by Badger State, the Sunnyfield water tower was painted 18 years ago and the coating system has exceeded its life expectancy. The estimated project cost is \$594,000. The bid opening is scheduled for February 20 and the award of contract on March 9.

Water Supply Plan Approved

The MN DNR has informed the City that a monitoring well is needed within the Tunnel City-Wonewoc Aquifer. This monitoring well is used to provide the DNR with monthly water level data so that the agency can observe the drawdown of the aquifer. The City plans to construct this well at the same time that the next production well is constructed.

Upcoming Holidays

February 17—City Offices Closed for Presidents' Day Holiday

April 15—State of the City Address

April 22—Open Book Meeting

The City of Minnetrista will deliver quality services in a cost effective and innovative manner and provide opportunities for a high quality of life while protecting natural resources and maintaining a rural character, while effectively managing growth.
