## Improvements Accepted and Final Payment Authorized– Inflow and Infiltration Project

The 2018 I & I project included sanitary sewer lining, spot repairs and manhole rehabilitation. The sewer lining portion of the project was incorporated with plans for Excelsior, Shorewood and Tonka Bay. The project work is complete, and the contractor has requested final payment in the amount of \$50,359.

## Sunnyfield Water Tower Rehabilitation Project Updates

Bids for the Sunnyfield Water Tower Rehabilitation Project were opened on February 20, 2020, and there were five bids received. City Council has approved and accepted the bids, awarding the contract to the lowest responsive bidder to Osseo Construction Co., LLC for \$520,500.

In addition, the City Council has accepted the professional services proposal for construction engineering services from WSB & Associates. This agreement includes construction administration services including project management, contract administration, full time construction observation for a maximum of 10 weeks, and a two-year warranty inspection. Estimated fees for these services are not to exceed \$72,114.

## Extension of Preliminary Plat & Dock Variance Approved

The preliminary plat for the Highlands on Whaletail Lake is an eleven lot cluster development. Given the fact that City Code has not changed with respect to the preliminary plat approval in 2008 and six previous extensions have been granted, the City Council approved the extension until November 17, 2022.
